Passion Propels High-Quality Products

Already welcoming visitors to their [B&B](#) in Pisgah Forest, husband-and-wife team Paul and Terri Karlsson recently opened a gourmet olive oil and balsamic vinegar business in downtown Knoxville. Encouraging guests to always sample before making a purchase, Paul and Terri are all too happy to offer cooking tips and recommendations for such exotic varieties like chipotle-infused extra-virgin olive oil and cinnamon-pear-infused balsamic vinegar. The Tree & Vine has been highlighted in [The Blue Streak](#) for its "yummy" selection of olive oils, Italian-imported goods, and fun environment.
